

PERSONAL PROTECTIVE EQUIPMENT

CBRN

GAS MASK

SKU: PP-CB-E-0083

Full-face mask with the ability to fit the filter canister on the left or right side of the face piece.

[Read More](#)

M15SP GASK MASK

SKU: PP-CB-E-1694

Manufactured from a rubber mixture that resists Chemical agent penetration, our Gas Mask is used to protect users' faces, eyes, and respiratory tracts.

[Read More](#)

IM76 GAS MASK

SKU: PP-CB-E-1696

The IM76 is designed to meet challenges and withstand extreme conditions like never before.

[Read More](#)

RESPIRATOR BLOWER

SKU: PP-CB-E-1699

Our blowers draw filtered air from NBC filters, supplying it via a flexible hose to the NBC protective hood or mask.

[Read More](#)

SAPPHIRE GAS MASK

SKU: PP-CB-E-1698

Specially made to meet the latest challenges in CBRN, The Adult Sapphire Protective Hood provides superior protection and optimal comfort.

[Read More](#)

RESPIRATOR

SKU: PP-CB-N-0551

The Half Facepiece Reusable Respirator 7500 Series helps provide comfort and protection against particulates and a wide variety of gases and vapors.

[Read More](#)

FULL FACE GAS MASK

SKU: PP-CB-E-0679

The Full Facepiece FR-7800B-L meets NIOSH Chemical Biological Radiological Nuclear (CBRN) requirements in conjunction with the 3Canister FR-15-CBRN.

[Read More](#)

AVON FM53 RESPIRATOR

SKU: PP-CB-E-0944

The FM53 system was developed to address the multiple threats encountered on the modern battlefield, war on terrorism, and peace-keeping operations.

[Read More](#)

PARTICULATE RESPIRATOR MASK

SKU: PP-CB-N-1071

The lightweight, disposable N95 particulate dust respirator is designed to help provide quality, reliable worker respiratory protection.

[Read More](#)

CBRNE PROTECTIVE SUIT

SKU: PP-CB-E-1102

The air permeable CBRN combat suit protects against all CWA agents (Chemical warfare), in liquid, vapor and aerosol form for a period of 24 hours.

[Read More](#)

CBRNE BOOTS

SKU: PP-CB-N-1119

This specification refers to a CBRN Overboot, which is made from butyl rubber for use by military personnel and first responders in a CBRN environment.

[Read More](#)

CBRNE GLOVES

SKU: PP-CB-N-1120

The AirBoss Moulded Glove (AMG) is a butyl rubber protective glove intended for use in both military and first response CBRN environments.

[Read More](#)

CBRNE HOOD

SKU: PP-CB-N-1125

The Emergency Escape CBRN Hood includes a hood in a sealed bag and an outer carry bag and provides 30 minutes of respiratory protection.

[Read More](#)

GAS MASK FILTER

SKU: PP-CB-N-0195

The Gas Mask Filter, in conjunction with a full face mask or filter ventilation unit, reliably ensures respiratory protection against solids and liquids,
