## PRODUCT DESCRIPTION

The Pedestal Offset Pintle (POP) is a seated rotating gun mount pedestal with an offset pintle socket. It can accommodate light to heavy machine guns. The POP is designed for complete 360-degree turns inside the wheel wells of vehicles, including HMMWVs and pick-up trucks. A brake secures the system when the weapon is fired. A travel lock is used when the system is unmanned. The POP accepts a standard HMMWV turret Bearing Sleeve or an MK16 MOD8 stand. The seat height is adjustable. Interface plates are available for easy attachment to a wide variety of vehicle platforms.
