

MG PEDESTAL MOUNT

The Adjustable-Height Offset Pedestal is designed to provide a gunner with a 360 field of fire while firing heavy machine guns between wheel wells.

SKU: WS-GM-E-1072

Categories: [Gun Mounts](#)

PRODUCT DESCRIPTION

The Adjustable-Height Offset Pedestal is designed to provide a gunner with a 360-degree field of fire while firing heavy machine guns between wheel wells of a small cargo bed (e.g., Toyota Hilux). At the end of the offset, the arm is an adjustable-height tube with a built-in Universal Pintle Adapter (UPA), a wide variety of vehicle cargo bed interface plate designs, and installation kits.
